During the past year your Directors authorized the purchase of 616 shares of the outstanding preferred stock. These shares, bought at an average price of \$50.31, have been redeemed and cancelled.

On the basis of prices current as at the close of business March 31st, 1946 the market value of your company's holdings showed an improvement of \$730,215.29 during the fiscal year. After deducting the preferred shares at par the liquidating value of the common was \$22.01. This compares with \$11.48 on March 31st, 1945.

We again report that all of the company's security holdings are listed and traded on the regular stock exchanges.

Respectfully submitted on behalf of the Directors,

A. S. FRASER,
