# FORTY-THIRD ANNUAL GENERAL MEETING OF SHAREHOLDERS

THURSDAY, 18TH JANUARY, 1912

The Forty-Third Annual General Meeting of the Shareholders of The Royal Bank of Canada was held in the Banking House in Montreal, on Thursday, 18th January, 1912, at eleven o'clock.

The chair was taken by the President, Mr. H. S. Holt, and Mr. W. B. Torrance, Superintendent of Branches, was appointed Secretary.

Messrs. C. R. Hosmer and A. Haig Sims were requested to act as Scrutineers.

The Secretary read the Annual Report of the Directors as follows:

## DIRECTORS' REPORT

The Directors beg to present to the shareholders the Forty-Second Annual Report covering the year ending December 31, 1911, and to submit the statement of the bank as on that date.

The assets of the bank have been carefully revalued, and all bad and doubtful debts have been provided for.

Acting under your authority, the Directors issued in December last new capital stock to the extent of \$2,000,000, which was allotted to the shareholders at a premium of \$110. This large increase was necessitated by the phenomenal expansion of the bank's business during the past three years, as indicated by the growth of assets in that period, viz., from

EXPLANATORY NOTE:—

"When it is desired to ascertain the general effect of the price-movements of two or more commodities, or even to compare the relative significance of changes in the price level of each, . . . it becomes necessary to contrive a method whereby facts so apparently remote from each other, if not incompatible, as, say, a rise in the price of milk measured by the quart, and a decline in the price of pig iron measured by the ton, may, in effect, be stated in the terms of a common denominator, and reduced to a single expression.

"An 'Index Number' is the ratio between the price of a given article, or number of articles, at a given date and the price of the same article, or number of articles, at some other date or period selected as a base or standard. Percentages being purely relative expressions, may, when reckoned on a common basis, be combined or compared in a way impossible with actual prices."—"WHOLESALE PRICES IN CANADA"—pages 433-4.—Published by the Department of Labor, Ottawa.)

# HISTORICAL SKETCH OF THE ROYAL BANK OF CANADA

1869 - 1911

---

---

*By J. Castell Hopkins, F.S.S., and reprinted, by permission, from Special Supplement in "The Canadian Annual Review of Public Affairs, 1910."*

Commencing operations as a Chartered Bank two years after Confederation, in a small centre of the Province of Nova Scotia, the first 30 years of this Bank's history was a period of quiet financial work along lines of slow though steady local progress; the ensuing decade was one of an almost phenomenal progress which covered the entire Dominion and even went beyond its bounds. The beginnings of the institution were very small and, for Canada, somewhat unusual. A co-partnership institution called the Merchants Bank had been established in 1864 at Halifax with J. W. Merkel as President and George MacLean as Cashier and with the following Proprietors: W. Cunard, T. C. Kinnear, Hon. Edward Kenny (Receiver General), John Duffus, Jeremiah Northup, T. E. Kenny, J. W. Merkel, John Tobin and Geo. P. Mitchell. It was stated in 1869, when a charter of incorporation was asked for and obtained as a joint stock institution to be styled the Merchants Bank of Halifax, that the earnings since organization had averaged nine per cent. per annum. On October 18th, 1869, the Proprietors and some other prominent men met with Thos. C. Kinnear as Chairman and organized the new Bank with the following gentlemen as Directors: Wm. Cunard, J. B. Duffus, T. C. Kinnear, Thomas E. Kenny, John Taylor, M. Dwyer and Edward Smith. The authorized Capital was \$1,000,000 of which at first only \$500,000 was offered for subscription. A statement of the business of the late Proprietary institution up to October 1st was read which showed a paid-up Capital of \$300,000, a Reserve Fund of \$20,000, Notes in Circulation, \$90,460, Deposits at call \$167,955 and at interest \$116,700, Specie in hand totalling \$310,899, Current Loans of \$266,970, and Total Assets of \$729,163. Mr. Kinnear was unanimously elected President of the Bank. Shortly afterwards he was succeeded by Thomas E. Kenny, who was President until his death in 1908. George Maclean was the first Cashier. Amongst the first shareholders in the Bank, besides the Directors just mentioned, were Thomas Abbott, Hon. (afterwards Sir) Edward Kenny, J. P. Mott, Alfred G. Jones—long afterwards Lieut.-Governor of the Province—John F. Stairs and Hon. Jeremiah Northup.

At first, and in fact for nearly a quarter of a century, the Bank's operations were confined to the Maritime Provinces. Branches were opened in Nova Scotia

at Pictou in 1870, at Bridgewater, Lunenburg, Weymouth, Sydney and Truro in 1871. At the first annual general meeting on March 9th, 1870, \$100,000 was added to the paid-up capital and the following Directors were elected: T. E. Kenny, President (Acting), John Taylor, M. Dwyer, Jeremiah Northup, W. Cunard, A. G. Jones and J. B. Duffus. The last two were unable to act and on June 25th Joseph Wier and J. B. Campbell were appointed, and Mr. Kenny was elected President. Messrs. Campbell and Cunard retired in 1871 and Thomas Abbott and James Butler were elected and the entire Board re-elected in 1872 with Mr. Kenny as President and Senator Northup as Vice-President.

At this time the Cashier acted as Inspector as well as Manager of the Halifax office. In 1873 new branches were established at Maitland, N.S., and Charlottetown, P.E.I., and, in 1874, at Summerside, P.E.I. In 1875 it was found that the pressing demands of customers for accommodation could not be fully met without additional capital, even though the discount rate was raised for a time to 8 per cent., and despite an increase of paid-up capital by \$200,000 in 1872, by another \$200,000 in 1873-4, and by \$100,000 in 1875. These were years, however, verging on a period of severe depression, and, after this latter date, no increase in the Stock was made until 1883, nor was there any very marked expansion in the Bank's business. There was progress, but it was a conservative and quiet development. Very few branches were opened—one at Souris, P.E.I., in 1877 and another at Port Hawkesbury, N.S., in 1881. In 1876 T. A. Ritchie and Allison Smith became Directors and in 1878 the name of D. H. Duncan appears as Accountant of the Halifax Office.

During this year the Board of Directors was reduced to six and made up of James Butler, M. Dwyer, Allison Smith, T. A. Ritchie, T. E. Kenny, President, and Hon. J. Northup, Vice-President. On March 5th, 1879, at the Annual Meeting, the President referred to the "continuous depression" in the Province but pointed out that the Bank was able to make a fair amount of profit, maintain a dividend, and pay \$10,000 toward the cost of the new building which was then being erected on one of the best business sites in the city and which was occupied shortly afterwards. In this year Senator Northup, a sturdy supporter of the institution, passed away and at the succeeding meeting of 1880 Michael Dwyer was elected Vice-President while J. Norman Ritchie was added to the Board. On this occasion Mr. Kenny referred again to the continued dulness of trade and financial depression, although claiming, with some pride, that the Bank had paid \$500,000 in dividends to the Shareholders since starting business. A further sum was paid on building account and 10 years afterwards the whole cost had been met. It was a day of small things and the caution of the Bank's policy was evident.

## H I S T O R I C A L   S K E T C H   ( C O N T I N U E D )

The dividends paid during these years were 5 per cent. in 1870, 7 per cent. in 1871, 8 per cent. from 1872 to 1876 inclusive,  $7\frac{1}{2}$  per cent. in 1877, 8 per cent. again in 1878 and 7 per cent. from 1879 to 1882 inclusive. Mr. D. H. Duncan became Cashier in 1882 and inaugurated an active system of Branch extension, chiefly into New Brunswick and notably, also, at Hamilton, Bermuda, in the West Indies. This latter expansion was, no doubt, influenced by the Bank's association with the steamship business of Pickford & Black, and, though the branch business itself was afterwards closed, it was probably a first step in the expansion amongst these Islands which commenced in 1899. The business and progress of the Bank during these formative years of growth may be seen from the following table:

With the year 1883 began a period of wider expansion in the affairs of the Bank, and it may be noted that in this year, on January 18th, Mr. Edson L. Pease, who was the instrument of the greater movement of a later decade, became Accountant at the Halifax Office after a period of service with the Canadian Bank of Commerce. On June 14th the Board decided not to purchase the Merchants Bank of Prince Edward Island which had offered to sell out its interests and a little later the relations of the Bank with the Maritime Bank of Canada—founded at St. John in 1872—led to a similar proposition for amalgamation. This institution had suffered severe losses and for a time Mr. Pease was put in charge of its affairs and the question of union seriously considered. Eventually, however, the Board decided not to recommend amalgamation to its shareholders and, after a brief period, the Maritime Bank was compelled to suspend in 1887 with a loss of about \$1,000,000 to its shareholders.

Meanwhile, in 1883, \$100,000 was added to the Stock, and in 1886 James Butler was elected Vice-President and Thomas Ritchie was elected to the

Board. In 1885 had occurred one of those heavy losses which all Banks have occasionally to face; the profits of the year were wiped out and the Rest drawn upon for \$80,000. The trouble was taken at the roots, however, and within two years the loss had been more than made good, and the Reserves restored to full strength. By 1889 the Paid-up Capital and Rest had been increased above the original figure, the Deposits had grown by \$1,200,000, and the net profits were \$124,000. The important event of the year (1887) was the opening of a Branch in Montreal, of which Mr. Pease became Manager. This extension inaugurated a new system with larger business transactions, greater profits, and a wider outlook. Wiley Smith joined the Board in 1889. James Butler, Vice-President, passed away in 1890, and was succeeded in the office by Thomas Ritchie. In the same year H. G. Bauld was elected a Director.

On Feb. 10, 1892, the President, Mr. Kenny, referred at the Annual Meeting to the low rates for money which prevailed in the chief monetary centres and intimated that the management had found 4 per cent. for special deposits too high a rate for the Bank to continue. The depression still existed in the following two years and affected profits although the volume of business increased. On Feb. 13, 1895, the President complained, in his brief annual address, of the continued depression and low rates for money—sometimes reaching  $\frac{1}{4}$  of one per cent. in England and 1 per cent. in New York. At the same time the Directors were able to add \$80,000 to the Rest, to increase investments in Government and other bonds by \$300,000 and to recommend the establishment of a Superannuation Fund for Employees. During 1896 the financial disquietude and commercial depression continued and the Maritime Provinces were specially affected by the free silver agitation in the United States as well as by the generally low prices and lower profits. In this year the Hon. D. MacKeen joined the Board of Directors and another \$100,000 was added to the Rest.

In 1897 a marked business improvement began and continued into 1898 and succeeding years. Good crops and good prices affected local conditions, another addition was made to the Rest and the Capital Stock was increased by \$500,000 for the announced purpose of extending business outside of Nova Scotia. During this period of D. H. Duncan's exclusive management of the institution, 1882-1897—in which latter year Mr. Pease became closely associated with the general management of the Bank—the paid-up Capital had increased by \$600,000. The total Deposits had quadrupled, the Rest had been increased by nearly \$1,000,000, the total Assets by more than \$6,000,000. The dividend paid in 1883 and 1884 was 7 per cent. and in 1885,  $6\frac{1}{2}$ ; in 1886 it was 6 per cent., and this rate lasted until 1893 when it was increased to  $6\frac{1}{2}$ ; in 1894 it

With the practical direction of much of the Bank's business centred in Montreal, and under the control of Mr. Pease, came two distinct developments of policy. One occurred in 1897 when a leap was made across the continent intervening between Montreal and the Pacific Coast, and a number of branches were established in British Columbia. This policy owed its initiation to a clear perception of not only existing financial conditions in Canada but of coming developments in the West. At the same time (1898) Mr. Pease visited Cuba and reported to his Directors in favour of an experimental Branch at Havana. This was duly established in 1899 with W. F. Brock, J. A. Springer and R. W. Forrester as Joint Agents of the Merchants Bank of Halifax in Cuba. In the succeeding year a change was made and F. J. Sherman, with O. A. Hornsby, were appointed to co-operate with Mr. Springer.

Meantime, on Dec. 18, 1899, Mr. Pease was formally appointed by the Board of Directors to be Joint General Manager, with the branches in Montreal, in British Columbia and in Havana under his direction, and headquarters in Montreal. Mr. Duncan was to remain General Manager and to administer the business of the Head Office at Halifax, and of the branches in the Maritime Provinces and Newfoundland, until the end of the year when it was understood he would retire from the service of the Bank. At the beginning of 1900, accordingly, Mr. Pease acceded to the sole management, with the Chief Executive in Montreal. It should be stated that in May, 1899, a further new departure had been made in the opening of a branch in New York City. More money was required for all this expansion and \$500,000 of new stock was, therefore,

issued at 100 per cent. premium and almost entirely paid-up by the close of 1899. Addressing the annual meeting on Feb. 14th, 1900, the President (Mr. Kenny) referred to the general expansion of business as rendering necessary a still further increase of capital. An issue of \$1,000,000 was approved and of this \$481,000 was taken up in 1902 and \$519,000 in 1903.

At the same time Mr. Kenny made an even more vital suggestion: "The expansion of our business throughout Canada and outside the Dominion is such that we believe the time has come when, to meet our changed surroundings, we should change our title and adopt a more comprehensive designation. There is a Merchants Bank of Canada and a Merchants Bank of Prince Edward Island as well as this institution." Moreover it was felt that the Bank was now more than a local or provincial affair; it was national and international in its scope.

The policy of a change of name to that of The Royal Bank of Canada was made possible and legal by an Act of Parliament which received Royal Assent on June 14th, 1900, and by an amending Act of July 7 under which the Board of Directors was given authority to make the change. The new name came into operation on 2nd January, 1901. During the year (1901) C. S. Hoare, an experienced Manager in the Imperial Bank's service, succeeded Mr. Pease as Manager of the Montreal Branch. In 1900 the Hon. Michael Dwyer, M.L.C., of Halifax, a Director since the formation of the Bank, passed away, as did Hon. H. H. Fuller, a member of the Board since 1890. The year 1901 saw the number of Directors decreased to five and those elected at the Annual Meeting were T. E. Kenny, Thomas Ritchie, Wiley Smith, H. G. Bauld and Senator MacKeen.

In January, 1901, the Royal Bank of Canada had 15 branches in Nova Scotia; 10 in New Brunswick and 2 in Prince Edward Island; 1 in Newfoundland and 2 in Quebec; 2 in Ontario and 7 in British Columbia; 2 in the United States and 1 in Cuba—a total of 42. The largest shareholders in the Bank at this time were Michael Carney, the Estates of Michael Dwyer, P. O'Mullin, James Butler and John Tobin, with T. E. Kenny, Dr. W. J. Lewis, Senator MacKeen, Alfred Putnam, Thomas Ritchie, L. Mortimer Smith, Wiley Smith and Mrs. R. M. Smith—all of Halifax; C. R. Hosmer and H. S. Holt of Montreal. In the following year a sale of 5,000 shares of the capital stock of the Bank at \$250 per share was made, with the unanimous consent of the shareholders, to a number of prominent Americans, among whom were the Blairs of New York; G. F. Baker, President of the First National Bank, New York; J. J. Mitchell, President of the Illinois Trust & Savings Bank, Chicago; Ogden Armour, Norman B. Ream, P. A. Valentine and Marshall Field, of Chicago. The purchase was made after

a thorough examination of the affairs of the Bank. At that time the shares of the Bank were yielding 7 per cent. dividend. The connection thus established proved to be most beneficial to its interests.

In 1903, the Bank's business in Cuba was extended through the purchase of the assets of the Banco de Oriente at Santiago. The immediately available Assets of the Bank, in proportion to its Liabilities to the Public, on Dec. 31st, 1903, were 58.10 per cent. By the end of 1904 the proportion had increased to 61.35 per cent. while the total Assets had increased over \$6,000,000. On July 1st, 1904, the assets of the Banco del Comercio, Havana, were purchased. On Sept. 14th this Canadian institution was appointed Agent by the Government of Cuba to distribute the \$31,000,000 which had been awarded to the Republic's Army of Liberation and in the year following \$30,000,000 additional. During 1905 H. S. Holt and James Redmond of Montreal were added to the Board of Directors and the practice of quarterly dividends was adopted.

At the Annual Meeting, on Feb. 14th, 1906, the Board of Directors was increased and authority given by the shareholders for still another new and progressive departure. The Board was authorized to ask Parliament to change the Bank's headquarters from historic Halifax to the more metropolitan centre of Montreal. Permission was given in due course and on March 2nd, 1907, the Head Office of the Royal Bank was, accordingly, transferred. New Directors were elected in harmony with the present and projected development of the institution—F. W. Thompson of Montreal in 1906, and E. L. Pease, General Manager, G. R. Crowe and D. K. Elliott of Winnipeg and W. H. Thorne of St. John in the following year. Mr. Kenny was re-elected President and Thomas Ritchie of Halifax, after many years in the Vice-Presidential chair, gave way to H. S. Holt of Montreal. New Stock of \$900,000 was issued at 110 per cent. premium, \$990,000 was added to the Rest and the dividend was increased to 10 per cent. At the same time an extension of branches into Ontario and the North-West was inaugurated. The year 1907 saw preparation for a further extension of business. An increase of capital was authorized from \$4,000,000 to \$10,000,000 though it was not at once issued. The West Indian business was given additional scope by a branch at San Juan in Porto Rico. At the close of this year the Royal Bank had 15 branches in Nova Scotia, 13 in New Brunswick, 2 in Prince Edward Island and 1 in Newfoundland, 8 in Quebec, 20 in Ontario, 9 in the three Prairie Provinces, 25 in British Columbia, 1 in the United States and 10 in the West Indies—104 altogether. The Bank which had started out as a purely Provincial and Maritime institution now had as many Branches on the one coast of Canada as on the other, and more abroad than any other Canadian Bank.

Mr. Thomas Edward Kenny, the real founder of the Bank, its President since a few months after organization, an ever-active friend and worker for its interests, passed away on Oct. 26th, 1908. He had always been conspicuous in public life and in Halifax affairs. At a special meeting of the Directors on Nov. 16th Mr. Herbert S. Holt of Montreal was elected President, and Mr. Edson L. Pease, who was already a Director, became Vice-President and retained also the general management of the Bank. On 27th November, Mr. Hugh Paton of Montreal was elected a Director. During the succeeding year Mr. T. J. Drummond, also of Montreal, joined the Board, vice H. G. Bauld of Halifax, retired, and yet another link with Halifax days passed (June 6th) in the person of Thomas Ritchie, Vice-President of the Bank from 1890 to 1907.

The important event of 1910 was the purchase of the Union Bank of Halifax. This institution had a paid-up Capital of \$1,500,000 on October 29th, 1910, a Reserve Fund of \$1,250,000, Undivided Profits of \$13,877, Notes in Circulation, \$1,398,480, Deposits of \$10,889,290, Cash on hand of \$1,535,945, Loans and Discounts of \$8,760,432 and total Assets of \$15,099,578. It had 35 branches at points where the Royal Bank was not represented and 10 at points where it, also, had agencies. The arrangement was ratified at a Shareholders' meeting of the Union Bank of Halifax on Sept. 7th and by the Royal Bank Shareholders on the following day. On Nov. 1st the amalgamation took place after the Board of Directors of the Royal Bank of Canada had voted 12,000 shares of its original Capital stock, fully paid and non-assessable, as the purchase price in the premises. William Robertson, President of the Union, became a Director in the Royal Bank and E. L. Thorne, its General Manager, was appointed Supervisor of the Maritime Province branches of the combined institutions. From 36 branches in these Provinces the Royal Bank had leaped up to 69 through this purchase. The chief of the new Branches thus assumed were at Glace Bay, New Glasgow, North Sydney, Windsor and Yarmouth, in Nova Scotia, together with Port of Spain in Trinidad—35 in all were maintained under the new conditions.

In September, 1910, a branch of the Bank was established in London, England, in premises owned by the Bank of England at 2 Bank Buildings, Princes St., E.C.

The Royal Bank, from being one of the smaller institutions of Canada for many years, was now the third great Bank of the Dominion. In the one year—Dec. 31st, 1909, to Dec. 31st, 1910—its Assets had increased from \$67,000,000 to \$92,000,000; its total Deposits from \$50,000,000 to \$72,000,000; its Capital and Reserve Fund from \$10,700,000 to \$13,200,000; its Current Loans and Discounts from \$33,000,000 to \$52,000,000. Meantime the Bank's business at Montreal had been greatly growing. In 1909 and 1910 the percentage of its

increase at the local Clearing-house had been larger than that of any institution in the City. In 1905 its percentage of the total Clearings was 3.76, in 1906 5.98, in 1907 6.00, in 1908 6.39, in 1909 7.15, in 1910 7.47. The following table of the Bank's Clearings at Montreal shows the steady progress of early years changing into the swift advance of a later period:

Since 1894 the dividend had been steadily increasing. In that year and up to 1902, inclusive, it was 7 per cent.; in 1903 it was 8 per cent., and in 1906 increased to 9 per cent.; in 1907, 1908 and 1909 it was 10 per cent.; and in 1910, 11 per cent. with an announced increase of one per cent. on Jan. 1st, 1911. During these years there had, of course, been an enormous increase in the Staff. In the days of Maritime limitations it was necessarily small though growing slowly with the extension of branches and the quiet increase in business; by 1901, when the change of name took place, there were 233 officials. In 1907 the Staff numbered 575; in December, 1910, its total was 1,264, and in December, 1911, 1,510.

At the present time there are 202 branches located as follows:—31 in Ontario, 11 in Quebec, 16 in New Brunswick, 51 in Nova Scotia, 3 in Prince Edward Island, 4 in Manitoba, 12 in Saskatchewan, 9 in Alberta, 37 in British Columbia, 2 in Newfoundland, 1 each in Great Britain and the United States, and 24 in the West Indies generally.

This record may well be closed with a simple statement of the progress of the Bank's business between 1898 and 1911, shewing a jump in Deposits from 8 millions to 88 millions, in Discounts from 8½ millions to 59½ millions, in
