STEDMAN BROS., LIMITED

136-152 PORTLAND STREET

TORONTO, CANADA

April 7, 1962.

To the Shareholders of Stedman Bros., Limited:

Your directors have pleasure in submitting for your consideration the Annual Report of the Company, together with Balance Sheet and Statement of Income for the year 1961 as certified by the Auditors of the Company.

The results of the year show a slight increase in volume and a slight increase in profit. The physical assets of the Company have been well maintained. During the year we spent \$431,000 on improvements and new construction. On December 31, 1961 there were 133 stores in operation owned by the Company, also 211 associated stores owned by the person operating them. They contract with us for their purchases and we assist them in every way we can.

The year 1961 was one of keen competition. The merchandising business is changing very fast; Food Stores, Shopping Plazas, Discount Stores, all striving for the Retail Dollar—but as of the present no definite trend has been established.

This business was founded on the policy—To distribute merchandise at the lowest price consistent with the cost of doing business. We still support that policy and we face the future with confidence.

On behalf of the Directors, I would like to express our thanks for the loyal support of the staff during 1961.

S. W. STEDMAN, Chairman of the Board.

AUDITORS' REPORT

To the Shareholders of Stedman Bros., Limited:

We have examined the balance sheet of Stedman Bros., Limited, as at December 31, 1961 and the statements of income and retained earnings for the year ended on that date and have obtained all the information and explanations we have required. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion, and according to the best of our information and the explanations given to us and as shown by the books of the company, the accompanying balance sheet and related statements of income and retained earnings are properly drawn up so as to exhibit a true and correct view of the state of the affairs of the company as at December 31, 1961 and the results of its operations for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
