obligations, included in current liabilities	1,905,000
	\$149,237,185

- *By agreement dated 1st March 1951 these notes were replaced by \$54,950,000 3% notes due 1971, the entire principal and interest subject to abatement; additionally, the British Government is providing \$24,975,000 in 1951 against 20 year $3\frac{1}{2}\%$ notes with principal and interest also subject to abatement.
- 3. The surplus of the non-Canadian subsidiary included in the consolidation is subject to such restrictions as to distribution as may be imposed by regulatory bodies of the country in which it operates.
- 4. The Company is presently engaged in a construction programme involving a capital expenditure of approximately \$40,000,000.
- 5. On 29th December 1950 Aluminum Company of Canada, Limited paid to its parent, Aluminium Limited, a dividend in kind consisting of shares and notes of two subsidiary companies, Aluminum Goods Limited and Sprostons, Limited, carried in the Company's books at \$4,897,077. The earnings of these two companies for the year 1950, \$412,005, were included in the consolidated profit for the year; the surplus, since acquisition, of the two companies has been eliminated from consolidated earned surplus.

AUDITORS' REPORT

TO THE SHAREHOLDERS OF ALUMINUM COMPANY OF CANADA, LIMITED:

We have examined the consolidated balance sheet of Aluminum Company of Canada, Limited and its subsidiary companies as at 31st December 1950 and the related statements of profit and loss and surplus. Our examination included such tests of the accounting records and other supporting evidence and such other procedures as we considered appropriate in respect of Aluminum Company of Canada, Limited and its principal Canadian subsidiaries and the inspection of audited financial statements reported on by other independent accountants for those subsidiaries whose records were not examined by us. We received all the information and explanations which we required.

On the above basis, we report that, in our opinion, the accompanying consolidated balance sheet and related consolidated statements of profit and loss and surplus, supplemented by the notes appended thereto, are properly drawn up so as to exhibit a true and correct view of the combined state of affairs of Aluminum Company of Canada, Limited and its subsidiary companies as at 31st December 1950 and the results of their combined operations for the year then ended, according to the best of our information and the explanations given to us and as shown by the books of the companies examined by us and the audited financial statements reported on by other independent accountants.

Auditors.
