Anglin-Norcross Corporation Limited

and Subsidiary Companies

REPORT OF THE BOARD OF DIRECTORS TO THE SHAREHOLDERS FOR THE PERIOD ENDING DECEMBER 31st, 1943.

Your Directors submit herewith a Consolidated Balance Sheet showing the condition of the Company at the close of our fiscal period which ended December 31st, 1943.

Adequate provision has been made for depreciation, contingencies and doubtful debts, also estimated allowances for Income and Excess Profits taxes.

The volume of construction work carried out by your Company in 1943 was the largest in its history and practically devoted to Government requirements for war necessities.

Despite adverse working conditions, all contracts entrusted to your Company were satisfactorily and successfully conducted.

Naturally, however, our net earnings were affected by minimum profits and heavy taxation.

With the wartime expansion programme practically completed and with private industry awaiting cessation of hostilities before reconstruction or new construction, building prospects for 1944 cannot be optimistically forecasted.

During the year 1943 there were 12,506 shares of our Preferred Stock called for redemption but our liquid position has been well maintained and our investment returns have been satisfactory.

Your Directors regret to record the deaths in November 1943 of Mr. George A. Lowles, Treasurer, and Mr. William P. Mitchell, Building Superintendent. These men contributed efficient and faithful service since the inception of this Company.

The Directors wish to express appreciation to the Staff and Employees for their faithful, loyal and efficient services during the past trying and difficult year.

Respectfully submitted on behalf of the Directors,

HENRY J. GROSS,

PRESIDENT.
