

Anglin-Norcross Corporation Limited

and Subsidiary Companies

REPORT OF THE BOARD OF DIRECTORS TO THE SHAREHOLDERS FOR THE PERIOD ENDING DECEMBER 31st, 1945

TO THE SHAREHOLDERS:

On behalf of your Directors, there is submitted herewith the Annual Report of your Company for the year 1945.

Provision has been made for depreciation, reserves and contingencies, also estimated allowances for Income and Excess Profits Taxes.

The volume of construction work carried out by your Company in 1945 was approximately double that of the previous year but increased cost of operations caused by short supply of materials and the scarcity of certain categories of skilled workmen and continued taxation, leave the net earnings for the year showing only a slight improvement over 1944.

Owing to considerable inconvenience caused by the similarity of its name with another competitive company, the name of the "National Granite Works Limited" one of the Corporation's subsidiary companies, was changed to "Anco Granites Limited" by authority of Supplementary Letters Patent, granted by the Department of the Secretary of State of Canada under date of November 10th, 1945.

With the redemption of the Preferred Stock fully completed in 1944, your Directors have inaugurated a Dividend Policy on the Common Stock of the Corporation at One Dollar and Fifty Cents (\$1.50) per share for the year 1945 and it is anticipated that this rate can be maintained.

The Balance Sheet reflects the fact that a portion of the net profits for 1945 have been set aside as a "Reserve for Profit Sharing Plan". This Reserve cannot be apportioned or distributed till the present restrictions of the "War-time Salaries Order" are amended or rescinded.

To the employees of the Company who served with the armed forces who have been released and again taken their place in the organization, your Directors desire to pay tribute and to express satisfaction over their return.

Your Executive is constantly striving to maintain and improve the organization and its equipment with a view to being prepared for the prospective surge in construction work.

The appreciation of the Directors is recorded for the loyal and efficient service rendered by all employees throughout the year.

Respectfully submitted on behalf of the Directors,

HENRY J. GROSS,
CHAIRMAN OF THE BOARD.

MONTREAL, APRIL 20th, 1946.
