ANNUAL REPORT OF THE

DIRECTORS OF CANADA IRON FOUNDRIES LIMITED

YEAR ENDED DECEMBER 31st, 1929

To be submitted to the Shareholders at the Fourteenth Annual
General Meeting of the Company at Montreal
April 17th, 1930

Your Directors beg to submit herewith the Balance Sheet and Profit and Loss Account as at the close of the financial year ended December 31st, 1929, with the certificate of the Auditors.

The tonnage of Cast Iron Pipe sold was in excess of that for the previous year, but due to continued keen competition there was little or no improvement in average selling prices and returns from this Department were disappointing.

During the period under review, Wheel Sales, Machine Shop earnings and sale of miscellaneous products were considerably in excess of those for the preceding year and earnings from these Departments show an improvement. The tonnage of Grey Iron Castings also shows an increase as compared with the previous year, and results from this Department were satisfactory.

The various Plants have been maintained in good repair during the year. Additions were made to Machine Shop equipment at Three Rivers and St. Thomas, involving an expenditure of \$26,538.25. This amount has been added to Fixed Assets.

Including the balance brought forward of \$37,095.30 and Returns on Investments, the Profit and Loss Account, after the usual charges for Depreciation, Debenture Interest and the maintenance of Shut Down Properties, shows a balance of \$430,273.45. In view of this satisfactory result, the Directors propose, subject to the approval of the Shareholders' Meeting to be held on April 17th, 1930, to pay the full dividend of 6% on the Preference Shares and also a dividend of 3% on the Common Shares in respect of the year 1929. The dividend, if so approved, to be paid on May 10th, 1930, to Shareholders of record on April 30th, 1930.

The above payments will leave a balance of \$149,638.45 to be carried forward in the Profit and Loss Account.

The Board desires to thank the Staff and Employees of the Company for their efficient services during the year.

Submitted on behalf of the Board.

C. L. JOBB,

President.

February 5th, 1930.
