ANNUAL REPORT OF THE
DIRECTORS OF CANADA IRON FOUNDRIES
LIMITED

YEAR ENDED DECEMBER 31st, 1931

*To be submitted to the Shareholders at the Sixteenth Annual
General Meeting of the Company at Montreal
March 30th, 1932*

Your Directors submit herewith the Sixteenth Annual Report covering the operations of the Company for the financial year ended December 31st, 1931, together with Profit and Loss Account and Balance Sheet, certified to by your Auditors.

A considerable volume of unfilled orders was carried over from 1930 and returns on operations for the first half of the year under review were fairly satisfactory. During the last six months, however, your Company experienced a decided falling off in business. This resulted in a lower net Foundry earning than for the previous year. However, economies that have been effected, resulting in increased efficiency in the various departments, reduction in overheads and satisfactory returns on investments, have enabled your Company, notwithstanding the lower tonnages and reduced selling prices, to submit a statement showing net results which your Directors feel have been satisfactory in view of general conditions prevailing during the period.

Your Directors have deemed it advisable to acquire a substantial interest in the Pressure Pipe Company of Canada Limited, and will manufacture High Pressure Reinforced Concrete Pipe under Bonna Patents. This product is well regarded by prominent Engineers and your Directors are hopeful that this undertaking will prove a satisfactory investment.

All of the Company's operating Plants have been kept up to a high standard of efficiency.

Including the balance brought forward of \$198,487.09, and Returns on Investments, the Profit and Loss Account, after the usual charges for Depreciation, Maintenance of Non-operating Plants, and Debenture Interest, shows a balance of \$633,395.02. A dividend of 3% on the Preference Shares and 1½% on the Common Shares for the six months ended June 30th, 1931, was declared payable September 15th, 1931, to Shareholders of record August 31st, 1931. A further dividend of 3% on the Preference Shares and 1½% on the Common Shares for the six months ended December 31st, 1931, has been declared payable March 15th, 1932, to Shareholders of record February 29th, 1932.

After providing for the above, there is left a balance of \$352,760.02 to be carried forward in the Profit and Loss Account.

It is with very sincere regret that your Directors have to record the passing of the late James T. McCall, a Member of the Board since the inception of your Company. Mr. McCall always took a very keen interest in the affairs of the Company and his wise counsel is greatly missed by the Board.

Your Directors are pleased to take this opportunity of expressing appreciation of the efficient services rendered by the Officers and Employees of the Company throughout the period.

Submitted on behalf of the Board.

C. L. JOBB,
President.

February 11th, 1932.

To the Shareholders:

CANADA IRON FOUNDRIES, LIMITED—

We have examined the above Balance Sheet dated December 31, 1931, with the books of the Company and have obtained all the information and explanations we have required. In our opinion the Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Company's affairs, according to the best of our information and the explanations given to us, and as shown by the books of the Company.

DELOITTE, PLENDER, HASKINS & SELLS,
Auditors.
