

Report of the Directors to the Shareholders of
CANADA MALTING CO., Limited
For the Fiscal Year Ending July 31, 1933

The Directors of CANADA MALTING CO., LIMITED, beg to present herewith Balance Sheet as at July 31, 1933, and Statement of Profit and Loss for the year ending on that date, as certified to by the Auditors of the Company, Messrs. Price, Waterhouse & Co.

The net profit for the 12 months was \$398,112.56, after setting aside \$150,000.00 provision for depreciation of buildings and plant, and \$57,469.61 as reserve for Income Tax.

Business during the period under review has been maintained at a satisfactory volume. It should be pointed out to the shareholders, however, that of the total sales, 42% was on account of export trade. The permanency of this export business, due to possible tariff changes and adverse legislation by foreign countries, is of a very doubtful character. The increase in profits over the previous year is entirely due to the larger volume of export trade mentioned above and to a better margin of profit in connection therewith.

We are pleased to be able to report that for the first 3 months of the current fiscal year, the export demand for our products has been maintained.

It is with deep regret that the Directors report the death of the President, Mr. Wilmot L. Matthews, and the Secretary-Treasurer, Mr. James L. Love, during the past year. They had both been connected with the Company since its inception and their loss will be keenly felt.

The plants of the Company have been maintained in first-class condition during the year under review.

The Directors wish to express their appreciation of the efforts of the staff.

All of which is respectfully submitted on behalf of the

A. C. MATTHEWS,
President.
