CANADIAN BRONZE COMPANY, LIMITED

TO THE SHAREHOLDERS:

Your Directors take pleasure in presenting a Consolidated Income Account and Balance Sheet showing the result of the past year's business and the financial position of your Company and its wholly-owned subsidiaries as at December 31st, 1941.

Profits were in excess of the previous year's by \$236,373 before income taxes and by \$93,373 after income taxes.

Dividends were paid during the year at the rate of \$5.00 per share on your preferred stock and \$1.50 per share on your common stock, with an extra dividend of 50 cents per share on the latter.

After an allowance for taxes and the aforementioned dividends an amount of \$83,649 was transferred to earned surplus. An amount of \$25,000 was charged against earned surplus as an additional tax-paid reserve against your investments.

The nature of our business has allowed us to contribute to the war effort in many ways. Munitions and other industrial companies producing war materials have been in great need of many intricate types of bronze castings not ordinarily made in this country. Because of past experience and facilities built up over a long period of years we have been able to assist these companies in solving some difficult metallurgical problems and to produce much essential material they require. In this connection we would like to express our appreciation of the valuable cooperation accorded to us at all times by the Dominion Government, the Navy, the Army and the Air Force. A brochure which accompanies this report outlines certain phases of this direct war work.

However, as you are aware, our principal business is the supplying of the Canadian railroads with certain essential equipment. As transportation has become a more and more important factor in modern warfare our efforts in the past year continued to be directed towards speeding up deliveries to the railroads while maintaining high quality in the products we supply. We think our customers will agree that on the whole that objective was successfully attained.

An increase in the volume of business handled by your plants resulted in larger earnings and larger earnings involve the paying of higher income taxes. The appropriation for these taxes for this past year is \$263,000 as compared with \$120,000 in 1940 and \$70,000 in 1939. As shareholders you may reasonably be gratified that the business is contributing to the war effort not only materials but money as well.

It is with deep sorrow that we record the death of Sir Herbert S. Holt, who had been a member of your Board of Directors since the formation of the present company in 1927. His wide knowledge of Canadian business and his sound judgment were invaluable to your Company, in whose progress he took a keen and active interest.

Monthly meetings of your Board of Directors were held throughout the year. The books of your Company have been audited regularly and the certificate of the Auditors appears herewith.

Your Directors again desire to express their appreciation of the efficient work and loyal co-operation of the employees in these trying times.

By Order of the Board,

W. L. BAYER, *President.*

AUDITORS' REPORT

TO THE SHAREHOLDERS,
CANADIAN BRONZE COMPANY, LIMITED, MONTREAL.

We have audited the books and accounts of Canadian Bronze Company, Limited, and its Wholly Owned Subsidiary Companies for the year ended 31st December 1941, and we have obtained all the information and explanations which we have required.

We report that, in our opinion, the above Consolidated Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Companies' affairs, according to the best of our information and the explanations given to us, and as shown by the books of the Companies.

(Signed) McDONALD, CURRIE & CO.,
