SEVENTEENTH ANNUAL REPORT

YEAR ENDED SEPTEMBER 30, 1926

To the Shareholders:

Your Directors submit herewith the Seventeenth Annual Report of your Company and of its Subsidiaries, the Canadian Steel Foundries, Limited, and The Pratt & Letchworth Company, Limited, covering combined operations for the year ended September 30th, 1926.

The year's business was again disappointing. The total value of cars shipped amounted to less than \$5,000,000, and as the bulk of this business was booked after the last annual meeting, six months of the fiscal period had elapsed before your car shops were operating to any extent, and even then much below normal capacity.

Your Subsidiary Companies benefited somewhat from the improved trade conditions throughout the Country, and the volume of their general business was considerably in excess of last year, but did not exceed fifty per cent of normal production.

The combined results show an operating profit of \$461,859.94 as compared with \$72,228.97 last year, or an improvement of \$389,630.97.

Sinking Fund payments during the year retired your Companies' Bonds to the extent of \$453,217.00, and in addition, funds totalling \$243,750.00 were set aside during the year towards the retirement of 6% Negotiable Scrip.

The Balance Sheet disclosed an excess of current assets over current liabilities of \$4,177,426.00 as compared with corresponding figures of \$4,946,988.00 last year, or a reduction in working capital to the extent of \$769,562.00. This reduction is accounted for by the retirement of Bonds and Scrip and the payment of Cumulative Preferred Dividends.

The orders carried forward to the next fiscal period totalled \$1,800,000.00 and represented a considerable increase over the corresponding figure of last year. It is to be hoped that in the near

future your Companies will profit from the improvement in general business conditions throughout the Dominion, which should insure a steadily increasing demand for your Companies' products.

Your various properties have been properly maintained in good condition throughout the year.

Your Directors are pleased to take this opportunity of expressing appreciation of the efficient services rendered by the Officers and Employees throughout the year.

For the Directors,

(Signed) W. W. BUTLER,
President.

Nineteen hundred and Twenty-six.*
