DIRECTORS' REPORT

To the Shareholders of Canadian Celanese Limited.

DEAR SIR (OR MADAM):

We beg to hand you herewith the Balance Sheet showing the financial position of the Company as at December 31st, 1929 and the Profit and Loss Account for the Fiscal Year ended at the same date together with the statement of the Company's Auditors, Messrs. P. S. Ross and Sons.

The net profit for the year was \$527,519.56 against \$180,409.05 for the previous year and after making provision for depreciation, income tax, etc., \$365,317.07 was carried to earned surplus account making the total credit to that account \$877,436.19.

Inventories were increased by \$241,932.13, in most part due to increased work-in-process and stocks on account of increased sales.

The sales in dollars were three times the total sales in 1928 with the profit as shown in spite of reductions in prices during the year under review.

The position of your Company is financially very strong and in view of the steady rapid progress made in marketing your goods as evidenced by the relatively rapid increase of your sales, your Directors view the future of the Company with satisfaction.

We desire to take this opportunity of extending the thanks of the Company to its employees and agents for their loyal and unceasing help to further the interests of your Company.

For the Board of Directors,

CAMILLE DREYFUS,

President.
