16th December, 1926

To the Shareholders of

**DOMINION BRIDGE COMPANY, LIMITED**

Your Directors submit the Annual Report of the Company together with Balance Sheet as at the 30th October, 1926, and Profit and Loss Account for the year ended that date.

The Plants of your Company have been well maintained and the special equipment required for the fabrication of the South Shore Bridge is well advanced.

The stocks of raw material and manufacturing supplies are well assorted and saleable; the inventories for these have been taken at conservative prices.

There has been a marked improvement in business, reflected in the earnings, which show a surplus of \$179,070.43 after payment of the dividend of 4%, compared with a deficit last year of \$313,000, a total improvement of some \$492,000. Your Directors declared quarterly dividends at the rate of four per cent per annum and, when the result of the year's operations became known, declared a bonus of two per cent for the year under review payable on the 3rd January, 1927.

DOMINION BRIDGE COMPANY, LIMITED

It is with sorrow your Directors record the death of their colleague, Mr. Phelps Johnson, on the 20th February last. Mr. Johnson joined the Company at the time of its organization; had filled successively the position of Chief Engineer and General Manager; he had been a Director since 1903 and President from 1913 until the end of 1918, when he retired from active work. His sound judgment, business ability and knowledge of the Company's affairs, which were ever at the disposal of his colleagues, are much missed in the deliberations of the Board.

Sir Herbert S. Holt was appointed to fill the vacancy created by the death of Mr. Johnson.

Meetings of your Board of Directors have been held monthly, the books of your Company have been regularly audited and the Certificate of your Auditors appears on the Financial Statement herewith submitted.

The year closed with a good volume of work on hand and it is hoped that present conditions will continue throughout the current year.

By Order of the Board of Directors.

G. H. DUGGAN,  
President.
