

McGILL UNIVERSITY
MONTREAL

FACULTY OF MEDICINE
OFFICE OF THE DEAN

October 28th,
1931.

Dr. Wilder Penfield,
Royal Victoria Hospital,
Montreal.

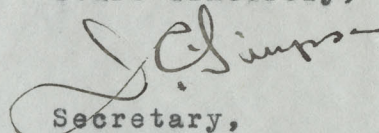

Dear Dr. Penfield,

Madeleine Ottmann Research Fund.

Mr. Bentley has just informed me that there are not sufficient funds in the Madeleine Ottmann Research Fund to cover the transfer of \$1800.00 required for the salary of Dr. Chorobski for one year from September 1st, 1931. Of course, in spite of this Dr. Chorobski has been receiving his salary.

Perhaps you would care to authorize the transfer of a sufficient sum to cover this item from the Penfield Research Fund. If so, will you let me know, so that I may have the transfer made.

Yours sincerely,

Secretary,
Faculty of Medicine.
