Dear Dr. Martin,

I am enclosing a copy of my note to Mr. Bentley in connection with the termination of the Rockefeller gift for this present year. Do you think we are taking too much out of the budget? The way I have figured it out, we will be notifying them that they need only send \$8000.00 or \$7500.00 instead of \$10000.00 for this quarter. They have written asking how much will be required.

With best regards,  
Yours sincerely,
