OFFICE OF THE DEPUTY MINISTER  
(ARMY)  
OTTAWA

August 7th, 1944

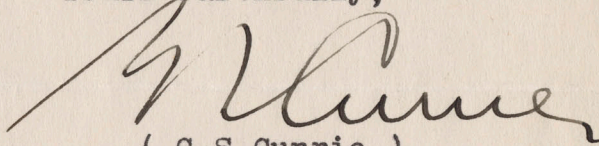

Dear Dr. Penfield: re Montreal Neurological Institute

I acknowledge your letter of the 4th instant enclosing a copy of your letter to General Renaud, having to do with the request for priorities on a number of items of equipment for your Institute.

Officers of this Department have already reported to me in reference to the progress made regarding the plans for the temporary addition to the Institute. We shall endeavour to reach a final decision with as little delay as possible.

I note that you wish to discuss methods of providing personnel and supervision of medical work.

Yours faithfully,

  
( G.S. Currie )  
Deputy Minister

Dr. Wilder Penfield,  
Director,  
Montreal Neurological Institute,
