

MINISTER OF NATIONAL DEFENCE

Ottawa, November 12, 1946.

Dear Dr. Penfield:

On my return to the city today your letter of October 22 has been brought to my attention.

I shall be very glad indeed to be present at the ceremony in connection with the transfer of the Military Annex of the Montreal Neurological Institute to McGill University and to say a few words on that occasion. You do not mention whether you have any date in mind. Insofar as I am concerned, a Friday evening or Saturday would be more convenient for me if this is satisfactory to you and the others who are to be present.

With kind regards.

Yours very truly,

Wilder G. Penfield, Esq., M.A., M.D., D.Sc.,  
Director,  
Montreal Neurological Institute,  
3801 University Street,  
Montreal 2, P.Q.
