Dr. W. Penfield,  
Montreal Neurological Institute,  
Montreal, P.Q.

Dear Dr. Penfield:

Herewith the October Conduct Sheet.

Thanks ever so much for your very nice letter and its incitations to generosity for the Messes.

I shall need further funds say, in about one month. I believe that travellers cheques are the best. Maybe one has to be there to sign those though, on issue. If so, a bank draft on Lloyds Bank or on the Royal Bank of Canada, 2 Cockspur St., London, or Bank of Montreal, Waterloo Place, London. There is no especial hurry. I shall send you a reckoning soon.

All are well now; all are busy now. All are as contented as exiles doing missionary work can be. All send a maximum of earnest greetings.

I enclose a copy of a letter issued to the Other Ranks on the fourth month's completion of Overseas Service.

With sincerest personal greetings to Mrs. Penfield, your confreres, medical and pro-neurological,

Faithfully,

(C.E. Cross) Lt. Colonel,  
O.C. No. 1 Neurological Hospital, RCAMC, CASF.
