QUOTE NO. NU. 5-0-0

Ottawa, Canada,
Drill Hall, Cartier Square,
April 1st. 1940.

Dr. Wilder Penfield,
3801 University St.,
Montreal, P.Q.

Dear Doctor Penfield:

" A simple expression of gratitude to you, and through you to those broad-visioned gentlemen, members of our sustaining committee, seems so insufficient.

The marvelous manifestation of last Saturday evening in Montreal has given us a most encouraging sense of sympathetic interest and support. Its contribution as a stimulus for fulfillment of duty and high ideals can scarcely be estimated.

With Lt. Col. Russel, Capt. Hyland and Lieut. Richardson, I visited Dr. C.F. Martin yesterday afternoon and was given a most cordial reception and helpful advice.

I shall very gladly keep you informed of general trends, special incidents and, too, any necessities that arise, for your transmission to the individual members of our Sustaining Board, of whom we are so keenly appreciative."

Very sincerely yours,

P.S.
Would you please save me - for the Diary -
a copy of the menu-program of last Sat. Evening.
