Lt. Col. C. E. Cross, R.C.A.M.C., C.A.S.F.,
#1. Neurological Hospital,
The Drill Hall, Cartier Square,
Ottawa, Ont.

Dear Colonel Cross:

I think we have plans made for the kind of support you will want for the Neurological Hospital. I am hoping that a committee of men who are interested in the Neurological Institute will undertake to do the things that you want and there is a tentative arrangement for Dr. Charles F. Martin to head up the committee. Please do not write to anyone else in regard to membership in the committee, inasmuch as I will have to leave the constitution entirely to Dr. Martin. When the thing really is under way, I will write to you in about a week more definitely about it.

With best regards,

Yours sincerely,

WGP/AD
