Montreal, Que.

July 3rd. 1940

For the duration of the war it has been planned that Dr. William Cone and Dr. Wilder Penfield will alternate between service overseas and at the Montreal Neurological Institute.

Dr. Cone is now proceeding with his military duties while Dr. Penfield takes over his practice., with the assistance of Dr. T. C. Erickson for private work. In case of change in this arrangement, further notice will be issued.
