Dear Dr. Penfield:

Thank you for your letter of March 18
and for the copies of your correspondence with
Walshe, from the heat of which, I would add, I have
derived some light and consequently not a little
advantage. I do agree that Walshe has a great deal
on his side, and I see it more clearly than before.

Unless I can get up to Montreal before
the 10th of May, which seems not very likely, I
shall postpone the visit until October when I can
see you.

Yours sincerely,

Alan Gregg.
