

9th November 1934.

Dr. Archibald Malloch,
New York Academy of Medicine,
New York City.

Dear Archie,

Thank you so much for your telegram of congratulation on September 27th. I took great joy in reading it to those who were at the dinner that evening. I wish you could have been with us.

Helen joins in sending our best regards to you both.

Yours sincerely,

WGP/HL.
