Dr. G.F. Stephens,
Superintendent,
Royal Victoria Hospital,
Montreal.

Dear Dr. Stephens:

I am asking Miss Dawson to send you a copy of the letter which we discussed on the telephone. I am glad to have your telephone reassurance that the Royal Victoria could take care of the increased demand for food to be supplied to 50 new beds in the Field House if this arrangement comes to pass. Also in regard to the laundry. I realize that some added provision will have to be made in the laundry.

Any suggestions you have to make in regard to our planning will be most welcome.

Yours sincerely,

WGP/AD
