Aug. 18th, 1930.

Dear Dr. Penfield:--

There seems to be some question about the typewriter I sent to you. I wonder if by any chance you received a bill for it. If so, a serious mistake was made, as it was obviously my intention to send this typewriter to you with my compliments.

If you will be kind enough to inform me on the subject, I will be much indebted to you.

Very sincerely yours,
