My dear President Humphrey -

May I write you a word
concerning Mr. Wilder Peeples
whom I know is competing
for the Rhoades Scholarship.

I have known him since
he was a little boy. He has
always been the manly fine
fellow which he is today.

He has been most conscien-
tious about moulding his
life and has had the win-
some gifts which added to

his real worth have made him
the friend of us all. We could
but admire him. I should
be so glad if he were thought
to be the best man to repre-
sent us in England for I
feel quite sure he would
honour our manhood and
our institutions. I am
taking the liberty of writ-
ing you because I have
found him to be a noble
fellow, and have come to
know of his aspirations.
I am the pastor of the
Beck Memorial Church
here in New York and a
friend of President Fairley

Whom you will know.
Very sincerely yours -
Newland Bartlett
