

McGILL UNIVERSITY
MONTREAL

FACULTY OF MEDICINE
OFFICE OF THE DEAN

September
Ninth,
1930

Doctor Wilder Penfield,
Department of Neurosurgery,
Royal Victoria Hospital.

Dear Doctor Penfield:

At a meeting of the Medical Faculty of McGill University held last evening a resolution was passed expressing appreciation that the fellowship in Neurosurgery is to be formed under the Madeleine Ehret Ottmann Memorial. A post in the Department of Neurosurgery is thereby created, the value of which may be determined by yourself from time to time, and the appointment will also rest with your ultimate decision.

If it is possible to express on behalf of the University the appreciation of this gift to the members of the Ehret family, I should be very glad indeed to convey that message to them.

With kind regards,

Very cordially yours,

C. J. Martin
