Montreal.

Dear Dr. Penfield,

I am sending you, herewith, copy of a letter which I have sent to Mr. Glassco in reference to the budget of your Department.

This clears off all other expenditure, and leaves you with the sum of \$2,000 for maintenance as from June 1st last.

I have just rung up Mr. Glassco about the additional \$5,000 promised by the Principal, and he is to take this matter up with Sir Arthur to-day.

I hope that it will all be straightened out within a very short time.

Yours sincerely,

J. Simpson
