Dr. W. G. Penfield,  
Royal Victoria Hospital,  
Montreal.

Dear Penfield,

I have written this little "squib" for the McGill Students' Annual. Would you mind glancing over it, and seeing if it will do.

I would like to send it in before the end of this week, if this is not bothering you too much - just telephone me.

Sincerely yours,

*C. Martin*  
DEAN.
