Dear Sir,

At the request of Dean Fraser, I am writing to ask if you would be willing to serve as a member of a special Faculty Committee, formed at the suggestion of the Principal, to consider certain questions of principle, such as the meaning of the title Research Professor, Research Fellow and Clinical Professor.

At the same time it is proposed to consider the promotion of a member of the staff to the rank of Assistant Professor of Experimental Medicine.

The Committee will be convened for its first meeting at 11.00 A.M. on Monday, June 26th. in the Faculty Room of the Medical Building. Please indicate if this time and place will be suitable for you.

Very truly yours,

J.F. McIntosh, M.D.,
Secretary,
Faculty of Medicine.
