Dr. J.C. Meakins,
Faculty of Medicine,
McGill University.

Dear John:

I am enclosing a second draft of the answers to Dr. Ross' letter and have sent a copy to Dr. James and to Dr. Stephens. Dr. Stephens has a number of minor suggestions in regard to it, and I should think perhaps a meeting would be worth while, to which we might add Dr. Kershman as well as Dr. Stephens.

Yours sincerely,

WGP/AD
