

McGILL UNIVERSITY  
MONTREAL

INTER-DEPARTMENT  
CORRESPONDENCE

January 19th, 1945.

Dear Dr. Penfield,

I am attaching for your information a copy of a letter which I have just received from Mr. Ross regarding the equipment that the government plans to supply for the temporary annex to the Montreal Neurological Institute.

Would you be good enough to have your people go over this list and let me know whether the proposal is satisfactory? I should also appreciate it if in the light of the information contained in this list you would let me have a revised list of the additional equipment that would have to be purchased by the University if no other materials and supplies were forthcoming from the Department of National Defence.

With renewed good wishes to you as  
always, I remain,

Cordially yours,
