

Dr. Penfield:

The letter authorizing the payment of this by the Red Cross from Col. Leggett seems to be lost. Do you think it would be a good idea ~~XXXX~~ to send the bill to Major Corrigan, C.R.C. Commissioner, saying it is for the lights that the C.R.C. so generously agreed to pay for, as arranged by Col. Leggett, and that though we were a long time obtaining them they are now installed and are a great success, etc. Do you think the letter should come from you?
