Dr. Wilder Penfield,
Director,
Montreal Neurological Institute,
Montreal, P.Q.

Dear Wilder,

I am writing to you in regard to the official handing over of the Military Annex of the Montreal Neurological Institute to McGill University.

As you are aware, with the Cabinet re-shuffle, Brooke is now the Minister of National Defence and it occurred to me that it might be more appropriate for him to say a few words on that occasion rather than for me to do so. If you will let me know if this meets with your wishes, I will turn over the Annual Report of the Neurological Institute to him so that he may have some background material.

Yours sincerely,

A handwritten signature in dark ink, appearing to be "R. C. Brooke", is written over the typed name "Yours sincerely,". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
