

MINISTER OF NATIONAL DEFENCE

Ottawa, November 28, 1946.

Dear Dr. Penfield:

I have your letter of November 21
and I may say that January 4 is a satis-
factory date for me.

The annual reports of the Institute
have not yet arrived but no doubt these
will come along in due course.

But regrettably
Yours very truly,
A.A.

*They were sent.
A.D.*

Wilder Penfield, Esq., M.A., M.D., D.Sc.,
Director,
Montreal Neurological Institute,
3801 University Street,
Montreal 2, P.Q.
