

Lt. Col. W. V. Cone

July 10th, 1941

Lt. Col. William Cone,
#1 Neurological Hospital, RCAMC,
Canadian Army Overseas.

Dear Bill:

I am enclosing a copy of a letter which I have received from Gorssline. Harding changed his mind about two weeks ago and stated that he would like very much to join the Neurological Hospital. I consequently spoke to Gorssline in regard to it and then wrote to him. This is the reply. No doubt you have heard from the situation over there. It is too bad, because Harding is well trained for the job. If he should get into the army, which he now does not seem to want to do unless he can go to #1 Neurological, perhaps he could be transferred there later.

Eaglesham seems to do a good job, although his experience is not the same as Hardings.

I will be writing to you again soon.

As ever,

Yours,

WGP/AD
