Lt. Col. C. E. Cross,
#1 Neurological Hospital, RCAMC,
Canadian Army Overseas.

Dear Colonel Cross:

I have received this rather decent letter from Bordley and I thought that perhaps you would like to drop him a note of thanks as they are donating the Bulletin to No.1. On second thoughts I am adding the names of the other journals which are donating their numbers to the Unit, and perhaps you might write the same letter to each of the boards. They are as follows:-

Canadian Medical Association Journal,
Surgery, Gynecology & Obstetrics,
Journal of Neurophysiology,
British Medical Journal,
The Journal of Neurology and Psychiatry,
The Canadian Hospital,
Canadian Public Health Journal.

Yours very sincerely,

WGP/AD
