Dear Colonel Cross:

I have taken the matter of the travellers cheques up with the Peel Street Branch of the Bank of Montreal here, where the account of the Unit is kept. They are notifying the main branch of the Bank of Montreal in Ottawa to provide you with approximately \$1,000.00 in travellers cheques. I suppose you will want this in English pounds. It can be made up in any denominations which you like. Will you please go to that branch of the bank and pick them up. They will have to be made out to you personally; apparently there is no way of making them out to the O.C. of the unit, but if you would like to have some of them made out to the Quartermaster you can do so. I should think, however, there is no point in this, and that they had better all be in your name. If you get ill or were away from the unit, you could communicate with us and we could make other arrangements.

Yours very sincerely,

WGP/AD
