DEBIT BALANCE:

\$ 82.66

I have sent a check to cover the cost of the menus, and I am enclosing a check in the amount of \$88.88 for the balance collected by me. You will recall that we charged past and present Internes and Research Fellows only \$1.50 instead of \$3.50. If you wish, we can take the extra \$2.00 per person from the "Fellows' Household Fund" which I have. This would supply \$34.00 towards the deficit.

Yours truly,

*Herman Petersen*
