McGill University.

Dear Dean Fleming:

Enclosed you will find a notice of the dinner which is to be given to the Number 1 Neurological Hospital, R.C.A.M.C. We would like it very much if you would join us in giving this dinner. A charge will be made something in the vicinity of \$3.00 a plate which will cover the dinner and the subsequent supply of beer. Do come if you possibly can.

Yours sincerely,

WGP/AD
