TO THE

Warrant Officers,  
Non-Commissioned Officers, &  
Men of  
No. 1 Neurological Hospital.

As this day completes four months since our arrival as a unit in England, your Commanding Officer and Officer Staff take this opportunity of extending their most sincere congratulations and appreciation to each one of the Other Rank personnel for his initiative and cooperation, his loyalty and good discipline through long weeks and months of awaiting developments which so often breaks up moral support to a Commanding Officer.

It is desired to say that your officers have always been convinced of the superiority of this Unit's Warrant Officers, Non-Commissioned Officers and Men over those in any other Command and are delighted to find this has been proven in impatient waiting as well as on duty.

It is with great pleasure and satisfaction that they and I now express our most heartfelt commendation.

I pray each man to continue as faithfully in his high opportunity as a soldier on responsible duty just as each one has contributed to make the No. 1 Neurological Hospital one of select and specialized individuals.

Your Officers pledge themselves to give you their support to the limit.

Very Sincerely Yours - for the Nursing Sisters  
and Officers of No. 1 Neurological Hospital:

(C.E. Cross) Lieut. Colonel,  
Officer Commanding  
No. 1 Neurological Hospital,  
R.C.A.M.C., C.A.S.F.
