Miss Lucy Allen,
Secretary to Dr. J.C.White,
Massachusetts General Hospital,
Boston, Mass., U.S.A.

Dear Miss Allen:

Dr. O. W. Stewart and Dr. S. P. Humphreys were both commissioned as Lieutenants in the Royal Canadian Army Medical Corps in January 1940 and went overseas with No. 1 Neurological Hospital, RCAMC, in June 1940. They were both promoted to Captains shortly before they left for overseas. I have found out from the local headquarters of the RCAMC in Montreal that they obtained their commissions as Lieutenants on January 4th, 1940, but they do not know the date of their commissions as Captains. This information, however, could be obtained from the office of the Director General of Medical Services (Army), Elgin Building, Elgin Street, Ottawa, Ont.

Yours sincerely,

Secretary to Dr. Penfield
