Dear Madam:

Dr. White was asked by the committee compiling
military records of the graduates of this hospital the follow-
ing information about Dr. O. W. Stewart and Dr. S. P. Humphreys:
Their rank, date of commission in the Canadian Army, and the
date when they went overseas. He thought you might be able to
give me these details since these men were with you up to the
time they left.

Very truly yours,

Lucy Allen

Sec'y to Dr. J.C. White
