Dear Sir Arthur:

I duly received your letter of the 1st instant, regarding the Neurological Institute for Montreal and the retention of the services of Doctors Penfield and Cone in this Province.

I submitted your letter to the Cabinet this morning, and I beg to state that to maintain the Institute - if you receive the help that you expect from the Rockefeller Foundation - the Government of the Province of Quebec, after the 1st of July next, will be prepared to give the Institute an annual grant of \$20,000.00

Yours sincerely,
