August 29th, 1955.

Mr. Bernard Berelson,
Director,
Behavioural Sciences Program,
The Ford Foundation,
477 Madison Avenue,
New York 22,
N.Y.

Dear Mr. Berelson,

I have read the letter of August 6th, 1955,
in which my colleagues Doctors Penfield and Rasmussen
apply for a fund of \$500,000 to endow research fellow-
ships in the Montreal Neurological Institute, under
your new Mental Health Program. McGill University
would indeed be happy to see this proposal receive
favourable consideration.

Yours sincerely

Sgd. D.L. Thomson
Vice Principal
