

23rd September 1938.

Dr. C.F. Martin,  
McGill University,  
Montreal.

Dear Dr. Martin,

I think you would like to see the letter I am enclosing from Gregg. After you have read it send it on to Sir Arthur if you think best. I should like to have the letter back eventually, for the sake of record.

As ever yours,

WGP/HL.
