

McGILL UNIVERSITY
MONTREAL

31st August 1933.

Dear Dr. Penfield:

On October 6th next the corner stone of the new Neurological Institute will be laid by His Excellency the Governor-General and we propose to mark the event in an appropriate fashion.

At 1.15 p.m. His Excellency and a party of about thirty will meet at the Mount Royal Club for a luncheon given by the Governors of the University. After the luncheon we shall proceed to the Medical Building where those entitled to do so will put on their academic dress. Thereafter we shall go on to the Neurological Institute, where a very brief ceremony will take place.

It would give us great pleasure if you would join us at luncheon and come afterwards to the platform for the subsequent ceremony.

Ever yours faithfully,

A handwritten signature in blue ink, appearing to read 'A. S. ...', written over a horizontal line.

Principal and Vice-Chancellor.

Dr. Wilder G. Penfield,
4302 Montrose Avenue,
Westmount, P.Q.
