3507 DRUMMOND STREET,
MONTREAL.

2nd July 1924.

Dear Dr. Grinfeld,

Mrs. Hodge son

I will be very glad to
go with you to have a
look at the statue -

I hope this when you
have it ready -

With regard to the
brass plate, I should
suggest a couple of
small changes in the
wooding, as follows

Archibald Hood

The gift of
Mr & Mrs A.A. Hodgson
and
Dr. & Mrs L.L. Reppord
to the
Montreal Neurological Institute.

I am indeed pleased to
be able to report Mr
Hodgson very much better

With our best regards
to Mrs Fairfield & yourself

Yours Sincerely
Arch^d A Hodgson
