MONTREAL

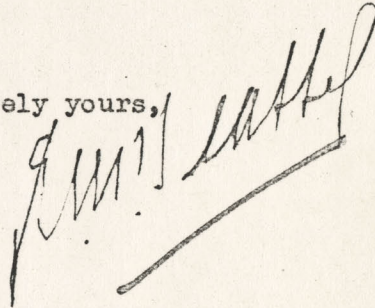

AT WINNIPEG, 10th September, 1934.

Dear Doctor Penfield,-

I have your note of the 6th instant.

There will be no objection to naming each of the two large public wards after Sir Herbert Holt and Mr. J. W. McConnell, if they agree. Personally, I think it is a very appropriate thing to do, and I feel that they will appreciate this public recognition of their generosity to the Institute.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "J. W. McConnell", written over a horizontal line.
