

15th September 1934.

Sir Herbert Holt,  
3459 Stanley,  
Montreal.

Dear Sir Herbert,

May we have your permission to name the larger of the two public wards on the third floor "The Sir Herbert Holt Ward.?" I should like to record permanently this debt which the poor people who pass through that ward owe you.

The National Hospital in London, which is the oldest neurological hospital there, has named several of their wards for outstanding benefactors and I hope you will allow us to do this. We are only proposing to name two wards, namely the two large ones; one after yourself and the other after Mr. McConnell.

I am so glad that you are going to be able to come to the opening. I should like to have the wards marked before that time.

Yours very sincerely,

WGP/HL.
